ANTIQUE HEART PINE #3 COUNTRY FARMHOUSE PLANK

Wide Plank Flooring Description

- **Species:** Southern Pine
- **Source:** Resawn from large beams taken from demolition projects
- **Heartwood:** 75% and better
- **Grain Density:** 4-5 rings per inch and more
- **Knots:** Sound knots and some partially broken knots
- **Holes:** Some scattered nail / spike holes and possibly some larger plugged holes
- **Cracks:** Occasional vertical aged stress cracks up to $\frac{1}{8}$ "
- **Face Character:** Since the lumber is resawn from large timbers, the surface of planks will have no original weathering or saw marks
- **Color:** characteristic light reddish color variations with some yellowish colors blended in as well
- **Grain:** Mixed patterns
- **Milling:** Center matched Tongue & Groove profile and squared ends
- **Size:** Thickness: $\frac{3}{4}$ " Width: 3" - 12" Length: 2' - 12'
- **M/C:** 8-10% or less

A Family Tradition of Excellence since 1976
