## ANTIQUHE HEART PINE #3 COUNTRY FARMHOUSE PLANK

### Wide Plank Flooring Description

- **Species:** Southern Pine
- **Source:** Resawn from large beams taken from demolition projects
- **Heartwood:** 60%-100%
- **Grain Density:** 4-5 rings per inch and more
- **Knots:** Sound knots and some partially broken knots (varied light to heavy) up to 3".
- **Holes:** Varied nail/spike holes and possibly some larger plugged holes
- **Cracks:** Occasional vertical aged stress cracks up to 1/8"
- **Face Character:** Since the lumber is resawn from large timbers, the surface of planks will have no original weathering or saw marks
- **Color:** characteristic light reddish color variations with yellowish colors blended. Possible limited amount w/ blue stain.
- **Grain:** Mixed patterns
- **Millng:** Center matched Tongue & Groove profile and squared ends
- **Size:** Thickness: 3/4" Width: 3" - 12" Length: 1' - 12'
- **M/C:** 8-10% or less
