QUARTER SAWN WHITE OAK

Wide Plank Flooring Description

- **Grade:** Quartered and Rift Character
- **Species:** White Oak
- **Heartwood:** 90% and better
- **Knots:** Scattered sound knots and limited partially broken knots
- **Holes:** Possibly a few small worm holes and insect scars
- **Cracks:** Some limited vertical surface checking allowed as long as the plank is sound
- **Face Character:** The lumber used to make this floor is graded specifically to have tight knots, natural color variations and to show the beautiful quarter-sawn "fleck" in the wood grain
- **Color:** Natural color variations, mostly brown tones with darker mineral streaks and lighter sap wood
- **Grain:** Mostly quarter sawn with some rift sawn
- **Milling:** Tongue & Groove profile with back relief and squared ends.
- **Size:** Thickness: 3/4" Available Width: 3" - 12" Length: 2' - 12'
- **M/C:** 8-10% or less
